Description of Business: This is an amusement park for small children. The atmosphere is very friendly, and your employers are interested in other cultures and are excited to meet you.

Description of Area: There are many restaurants, clothing and outlet stores, movie theaters etc. that are a short drive from the job site. The amusement park is located in a very rural area in the beautiful New Hampshire White Mountains, with many outdoor activities including hiking, climbing, biking, swimming, and boating. The days are warm, and the nights can get cooler, especially into September and October. The park is somewhat isolated, but there are many employees, and there is plenty to do in the area.
